MEMORANDUM FOR: Director, Office of Legislative Liaison

FROM: John H. Stein
Inspector General

SUBJECT: Congressional Reporting Requirements

REFERENCE: OLL 85-2779, dated 25 Sept 85, Same Subject

Try as we might we can think of no additional reporting requirements to add to Reference listing. I will resist the temptation to suggest that there appears to be a "reporting creep" driven, almost as a reflex, by the Oversight Committees.
